Official Statement Regarding Cancellation of the 2020 Wisconsin State Fair

The Bud Pavilion owner, managers, and staff are heavy-hearted to learn about the cancellation of the 2020 Wisconsin State Fair. Nevertheless, we firmly stand behind and support the Fair Board's decision. We respect Fair management's decision not to compromise the truly unique experience that is the Wisconsin State Fair.

We will continue to take direction from Wisconsin State Fair regarding our "Wednesday Night Live" concert series and Harvest Fair. We will also closely monitor local, state, and federal health agencies' recommendations on mass gatherings as we consider all possibilities for the remainder of the year. We hope to have information available on future live music events at the Bud Pavilion soon.

Thank you.
